# STATEMENT OF GENERAL POLICY

As defined by the UK Waste Electrical and Electronic Equipment (WEEE) Regulations, as a business to business (B2B) producer of Electrical and Electronic Equipment, Kenda Electronic Systems is obligated to provide a take-back service to ensure the correct recycling of WEEE that is generated by our products.

This service is offered free of charge limited to the cost of recycling only; any costs incurred related to the transportation of the WEEE from the end user's premises and/or for the delivery of such WEEE to an Approved Authorised Treatment Facility (AATF) may be charged to the end user.

Should you wish to take up this option please contact us by one of the methods below or via our [contact page](#).
